Residential Revitalization

- S.T.O.M.P. Update – The S.T.O.M.P. Program recently removed weeds from a rock landscape, replaced a fiberglass carport roof with a shade screen and added new house trim primer and paint. Five new projects have been added to the S.T.O.M.P. summer projects calendar. In addition, city staff participated in a job fair at Saguaro High School in hopes of providing summer employment. Over 40 students inquired about the program.
